
We take responsibility

Sustainability commitment of the Bell Food Group

2022 | Bell Food Group

LEADING IN FOOD

Joyful, competent and responsible our objective is to be one of the leading food companies in Europe.

We love the good things.

We shape the future.

We take responsibility.

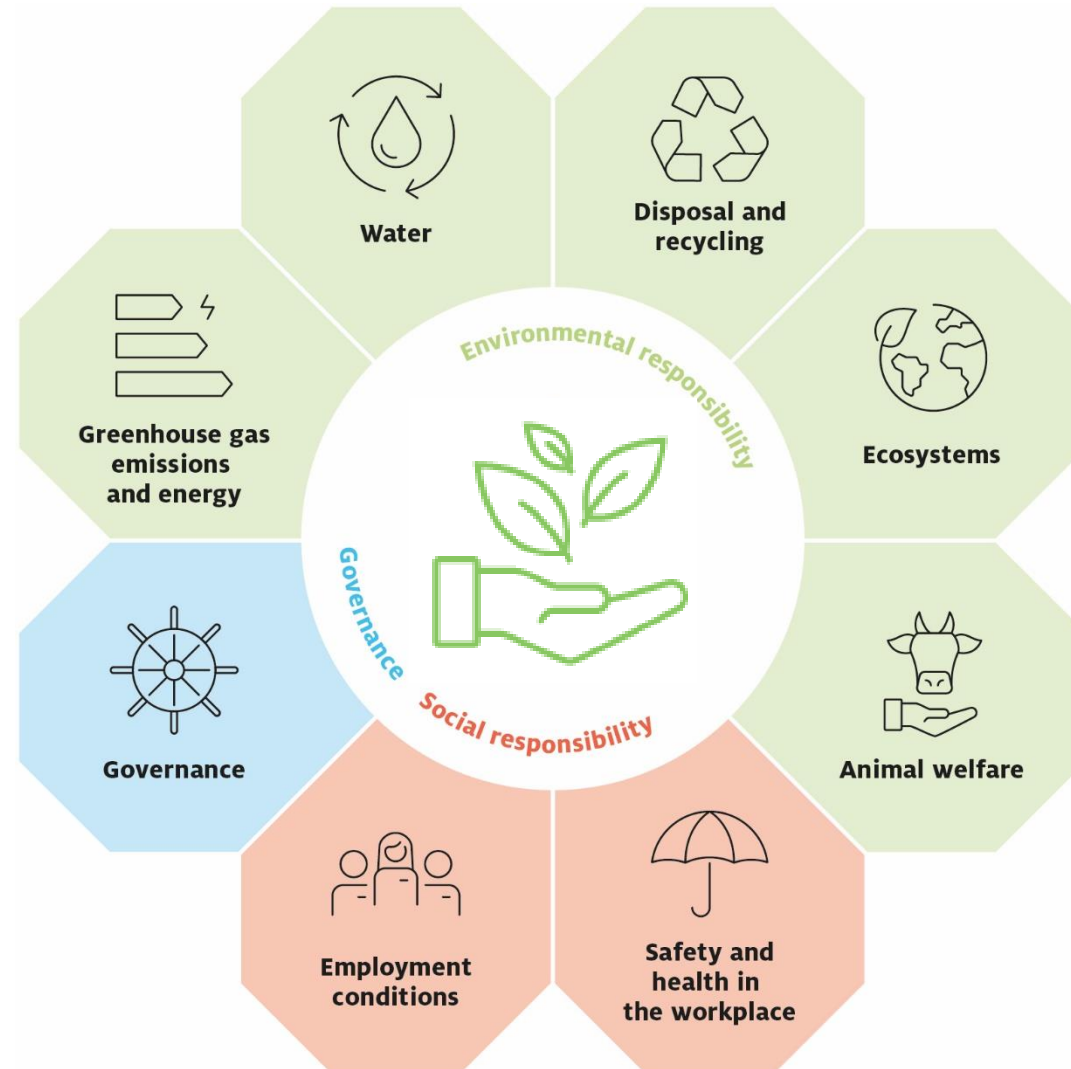

**We take
responsibility.**

- Think and act sustainably.
- Improve every day.
- Set a good example.

It is our responsibility to think and act sustainably. We know that there is still much to be done and we are doing everything we can to improve a little every day. We want to set a good example and make a contribution to a life in harmony with our environment.

We take responsibility.

We have defined a generally higher ambition level for the important topics and are guided by scientifically based objectives and international agreements and frameworks.
